

A white dove is shown in flight, emerging from a stone tomb. The tomb is made of rough-hewn stone blocks and has a yellow cloth draped over its entrance. The scene is illuminated by a bright light from the upper left, creating a dramatic and hopeful atmosphere.

*Il Signore  
ci renda partecipi  
della sua Risurrezione:  
ci apra alla sua novità  
che trasforma...*

*(Papa Francesco)*

***Buona Pasqua!***
